**Available in** HD

**Format** Not available

Combining the original recordings with brand new animation, this series brings missing classic Doctor Who stories from the 1960s back to the screens.

The Doctor and his companions stumble upon an alien plot at Gatwick Airport, centring on the mysterious Chameleon Tours – a budget holiday company whose young passengers have been vanishing in mysterious circumstances. What is happening to the passengers? Where are the company's planes really going and can the Doctor unravel the mystery before it's too late?
