## EPISODE SYNOPSES

### EPISODE 1

After the adrenaline of their affair, Josh is keen to take his relationship with Fola to the next level. But Fola wants to take things slowly - not exactly Josh's speed. Josh tries to put things right with Fola but ends up making things worse.

### EPISODE 2

Fola gets some exciting news but she isn't sure how to tell Josh. Josh does something bold in an attempt to give Fola space. Zack pays Fola a visit, but things don't go according to plan. Meanwhile, Josh is regretting his hasty decision.

### EPISODE 3

After a disastrous evening, Esther struggles to find her feet, whilst Josh scrambles to cover his tracks. Fola has a surprise in store for Josh, and Zack's date with Claire takes an unusual turn. Meanwhile, Esther and Lars's new relationship reaches a moment of reckoning.

### EPISODE 4

With everyone gathered under one roof, the stage is set for some big revelations – and an unexpected guest takes the night in a new direction once more. As everyone reels from the events of the previous night, some big decisions need to be made.
